A year's worth of common-sense, revenue maximizing tips packed into one single day. We have been working hard to create GrowSmartAGTalks designed to help you reduce losses, maximize your returns, and overall run your business more efficiently. And now we're inviting you to join us - where we'll present a bushel full of tools to do so, including a free Farming Decision Guide.

Darin Newsome, DTN Senior Commodity Analyst, will be on hand to explain how the structure of a market indicates what type of market exists and therefore which strategies are appropriate.

- Hear from guest speakers who will show you how to optimize your profits.
- Receive a Free Farming Decision Guide.
- Learn common mistakes that cost you money.

**We're looking forward  
to seeing you at  
GrowSmartAGTalks 2013.**
